

Dr. E.W. Connolly Collection

Dates of Creation: [19--] - 1927

Physical Extent: 0.33 meters of textual records

Biographical History:

Dr. Edward Worthington Connolly was born in 1874. He graduated from Queen's University in 1900 and served overseas with the C.A.M.C., first at the Dardenelles, and later in England. He began practicing medicine in British Columbia in 1903, first in the interior, and then in Vancouver. He passed away at the age of 60 on August 28, 1934 due to a heart attack and was survived by his wife, son, and his brother, Dr. A.K. Connolly.

Scope and Content:

The collection consists of records related to Dr. Edward Worthington Connolly's medical career. Records include medical notebooks and papers containing hand-written notes on pathology, pediatrics, and surgery and his hand-written "study books" on shorthand, French, Latin, chemistry, geology, and physics. Publications in the collection include: *Diagnosis of Transillumination*; *13th Annual Announcement* by the Medical Council of Canada; and *The Management of Patients: Success in Practice*.

Notes:

Source of Title: Title based on the name of the creator of the records.

Immediate source of acquisition: Donated to the Vancouver Maritime Museum by Mr. W. Connolly (son) in 1996.

Arrangement: Records arranged by Archivist.

Related Records: Medical kits and equipment belonging to Dr. Connolly were also donated to the museum, see Curator for access.

Language: The records are predominantly in English with two notebooks containing French and Latin medical terms.

Restrictions on access: None

Terms governing publication: None

Finding aids: A box-file list has been created for the records.

Accruals: No future accruals are expected.
